myDiABBY
HEALTHCARE

LOGIN GUIDE

This login guide provides the specific
login information for your device.
Please refer to the manual
for all information on using
myDiabby Healthcare*.

(o) Medtrum

1 **Connect the TouchCare Nano or 300 pump to the
EasyPatch application via Bluetooth, or upload
your PDM data to the EasyTouch application,**
following the insulin pump guide.
The EasyPatch application allows the pump to be controlled
using the smartphone, with the data automatically uploaded to
the **Medtrum cloud**. The data available on the Medtrum cloud will
then be automatically sent to myDiabby Healthcare, which is the
application that provides a link with the medical team.

2 **Log in to your myDiabby Healthcare** account from
a computer OR the myDiabby mobile application.

3 Click on the tab **«My
Connected Objects»** tab,
then on **«I'm connecting
a health application».**

4 Select the button
**Medtrum**

(o) Medtrum

5 **Enter your EasyPatch / EasyTouch account
username and password**. Read the terms of use,
tick the acceptance box, **enter your name** in the
dedicated field and **click «Authorise»** to accept
data sharing.

6 This message appears on the screen and confirms that the **Medtrum cloud account is connected to myDiabby Healthcare**.
Click on «**Back**» to return to myDiabby Healthcare.

Connexion to a healthcare app

Medtrum

Your myDiabby Healthcare account is linked to your Medtrum EasyView Personal / EasyPatch Account. Data saved with the EasyPatch app is now automatically synchronized to your myDiabby Healthcare account.

Back

Your insulin pump data are now shared on myDiabby Healthcare!

PLEASE NOTE

Regularly check that the data from your TouchCare insulin pump is visible on the Medtrum cloud so that the medical team can see the results on myDiabby Healthcare.

> Data download is automatic on the EasyPatch application and manual on the EasyTouch application.

> Once the Medtrum cloud account and myDiabby Healthcare are connected, **the Medtrum cloud automatically sends data older than 3 hours to myDiabby Healthcare every 8 hours.**

*The manual is available for download and consultation on the myDiabby Healthcare platform.
